MEMORANDUM FOR: Project Cover Officer

THROUGH : Deputy Project Director
Project Director of Administration

SUBJECT : Proposed Cover Modifications

In SAPC-17779 of 26 July you suggested certain modifications in our cover. Commenting on these in SAPC-18216 of 6 August, [REDACTED] recommended against a modification at this time. I am inclined to agree with the latter view, at least for the present, since our cover seems to be holding up fairly well in [REDACTED] and we will soon be leaving [REDACTED] where it is weakest. Nevertheless, I would appreciate if you would give thought to this matter once again and let me know at your convenience whether you would still recommend the change and if so of what general character and when.
